

PIVOT V SDN BHD (1311595-A)

COMPANY PROFILE

SMART SYSTEMS. SMART SECURITY. STARTS WITH THE SMART CHOICE.

VISION

To be the preferred partner in ELV, Telecommunications, Security and Smart Home System Integrator in Malaysia and APAC region.

MISSION

To transform businesses and spaces with cutting-edge technology to increase efficiency, capacity, security and profitability.

VALUES

With steadfast commitment, passion and professionalism, we deliver the most suitable solutions to meet your needs, for the best results.

ABOUT PIVOT V

Established in 2012, Pivot V Sdn. Bhd. (formerly known as V Fields Resources) is a fast-growing ICT and ELV System Integrator, specialising on the supply, setup and support for BMS, CCTV, Smart Home, Security, Telecommunications, AV, PA solutions and more, in Malaysia and its neighboring regions.

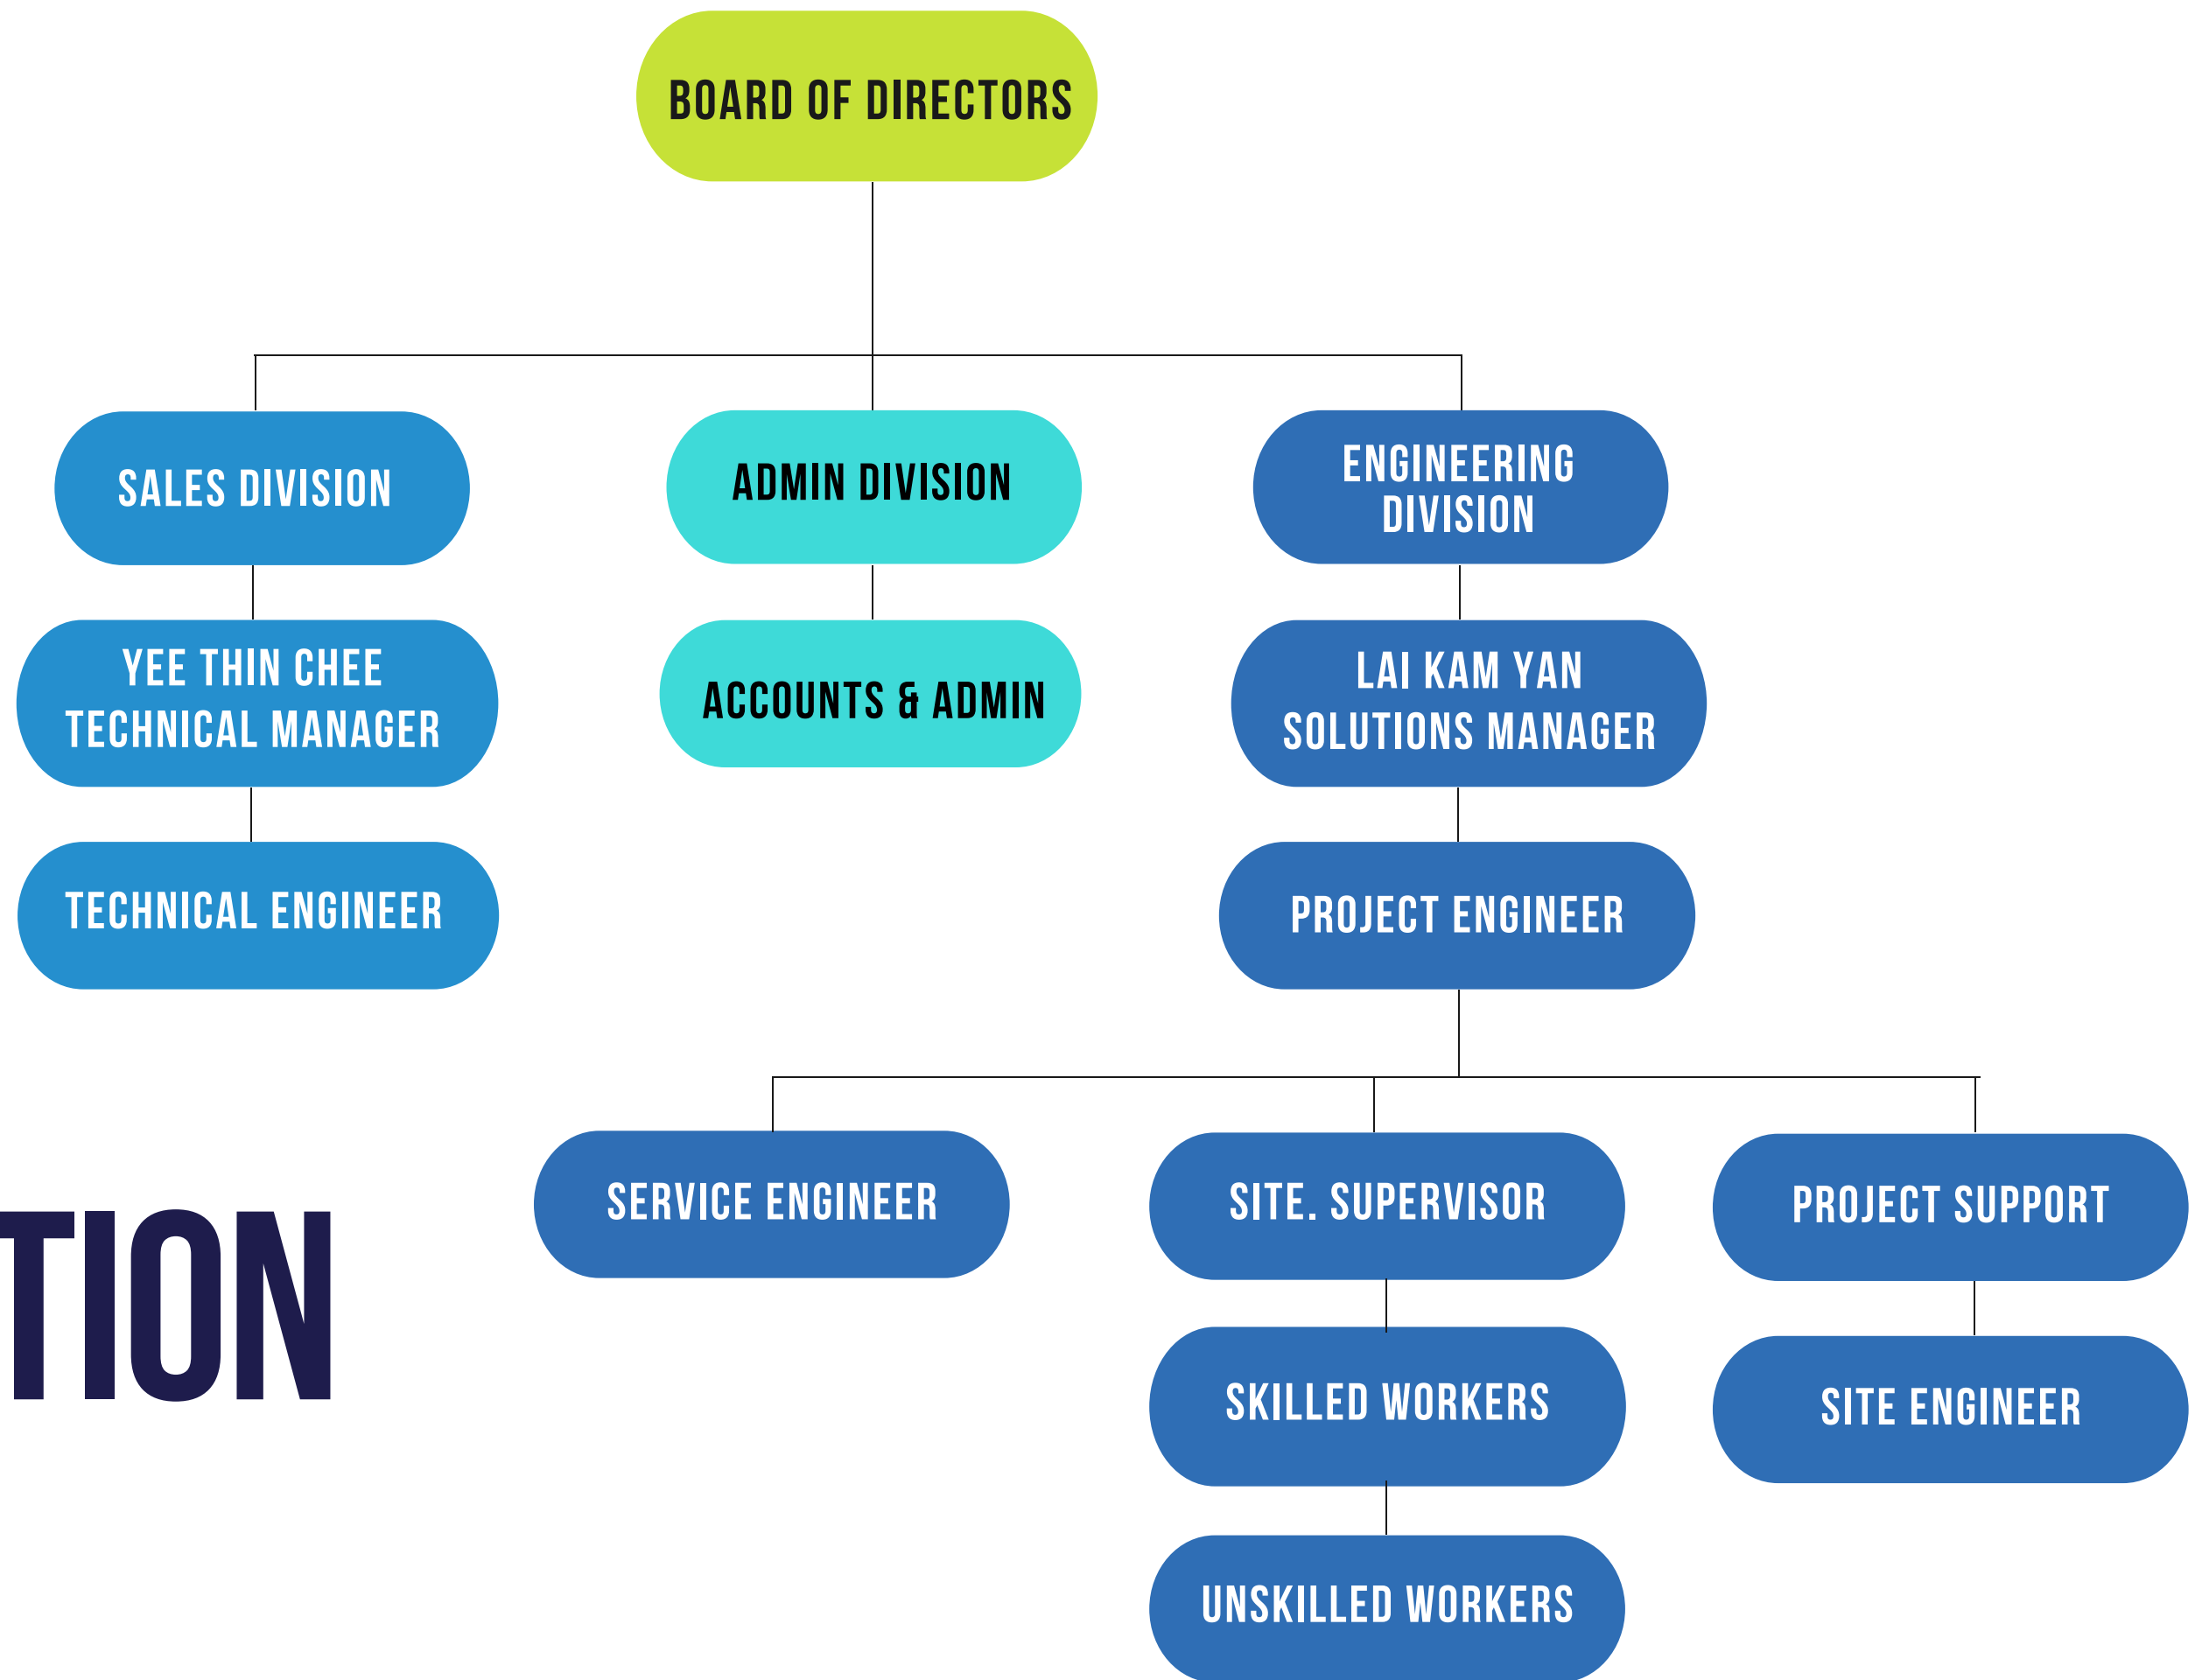

Pivot V is the specially appointed solution partner trusted by a wide range of reputable, top-tier brands to provide innovative, customised solutions for a myriad of industries, including for Oil & Gas, telcos, hospitality, transportation, manufacturing, commercial, financial and educational institutions, as well as GLCs and MNCs.

Our carefully customised solutions have helped businesses increase their revenues, security and efficiency, while saving costs. With our strong, dedicated team and extensive, diverse industry experience in delivering seamless solutions, we have a proven track record of providing a stress-free one-stop solution.
